

# Pro-Active Driver License Check

## Pro-Active Driver Check

*Check the validity and status of your drivers,*

*e.g. driver's license from ALL Provinces and jurisdictions*

### The Business Challenge

Any business that puts people behind the wheel is exposed to the many risks associated with vehicles: direct and vicarious liability, vehicle damage and replace, theft and fraud, impoundment and lost revenue, legal and administrative costs, rising insurance premiums and more. In today's competitive market, even a single incident can have dire consequences.

### What OSL offer

We offer, a simple, seamless way to instantly check the validity and status of any Canadian driver's license.

### What are your benefits?

*Protection against business interruption*

- Flagging high-risk drivers protects your assets and revenue stream
- Accidents and impounded vehicles mean late deliveries, broken contracts, angry customers and lost business

*Reducing exposure to risk*

- Suspended drivers are many times more likely to be involved in collisions
- They impact the bottom line by inflating vehicle repair and replacement costs, liability and legal fees,

worker's compensation and insurance premiums

- Vicarious liability lawsuits have found companies responsible for their employees actions for millions in damages or even criminal prosecution.

### *Reducing Administrative Overheads*

- Requesting driver's abstracts is an expensive, labour-intensive hassle.
- Integrating (DLV) Driver's License Verification into payroll allows you to automatically check license status bi-weekly for less than the cost of manually requesting abstracts quarterly.
- The more often you can check drivers license status, the better protected you are.

### **Benefits of using OSL Pro-Active Driver Check!**

- *Timely – Fast, Accurate; Intuitive and SECURE*
- *Driver license validation across ALL of Canada*
- *Reports returned directly to the users by email*
- *Cost-effective, Delivers ROI almost immediately.*
- *No expensive up-front costs, the validation process deters would-be scam artists.*
- *Reduces impact on your business from high-risk drivers*
