

Insurance Broker your best option beats online insurance shopping!

“It frustrates me” says Brian Patterson, president and CEO of the Ontario Safety League (OSL). “Invariably, when people talk to me about insurance shortfalls, it was because they bought it online and didn’t realize what they were doing”. It is something Patterson hears all too often at the OSL, “how people choose a higher deductible to save what amounts to \$30 a year, only to end up paying thousands more when the worst happens”.
