

Donations

The Ontario Safety League is a registered not-for-profit charity: # **10780 0542 RT0001**.

We accept donations and sponsorship directly or via our DONATIONS area on our website

Since 1913, the Ontario Safety League's mission has been to reduce preventable deaths, injuries and property damage on Ontario's roads through public education and safety awareness. It's leadership in commercial vehicle safety is well documented.

OSL programs targeting the corporate sector include Fleet Safety and Management, Instructor Training for Commercial Vehicles, and Collision Investigation, Analysis and Prevention and Air Brake training courses. The value of these safety programs to the corporate sector is that they help save both lives and money.

The Ontario Safety League is recognized as one of North America's leading traffic safety organizations and is a proven leader with its range of innovative safety courses and services for the transportation industry.

We would invite your support to keep these and new innovative programs going by making a donation to the Ontario Safety League.

The Ontario Safety League has chosen CanadaHelps.org to process our online donations.

As such, your credit cards will be charged by CanadaHelps.

When you have clicked the Donate Now button, you will be redirected to the CanadaHelps site for your donation processing. CanadaHelps is fast, safe and secure.

Please note:

You must provide a valid email address when donating online – an electronic tax receipt will be sent by email to the address you provide.

For your tax receipt, please ensure you check your spam folder as they sometimes get caught by your bulk/spam filter.
