

# Not at My store

I signed an Ontario Safety League petition today designed to send my local convenience store a message:

*"I will not tolerate the sale of drug paraphernalia in my neighbourhood. These pipes, marijuana grinders and rolling papers are clearly intended for illicit drug use, including pot and crack cocaine, and are often sold right beside the milk, candy and magazines."*

If you want to help the Ontario Safety League stop convenience stores from carrying products designed to make drug use easier, click [here](#) to sign the petition and pledge to report any convenience store you see selling drug paraphernalia!
