OntarioSafetyLeague.com Privacy Policy

Purpose

This Privacy Policy is designed to comply with applicable privacy legislation. It is also designed to help individuals understand how their personal information is managed through Ontario Safety League.com.

Scope and Limitations

This Privacy Policy guides on the use and protection of personal information. Individuals should also refer to the privacy policies of the organizations to which they submit information through OntarioSafetyLeague.com.

Consent

An individual's consent is required regarding the collection and proposed use of personal information when information is collected. Consent can be either express or implied and can be provided directly by the individual or by an authorized representative. Express consent can be given orally, electronically or in writing. Implied consent is consent that can reasonably be inferred from an individual's action or inaction. An individual's consent is required before confidential information is released to outside parties.

Limited Collection

The personal information collected through OntarioSafetyLeague.com and provided to the organization is limited to that which is relevant and necessary for the specified purpose as deemed by the organization. Ontario Safety League does not monitor nor restrict the information requested by organizations that use OntarioSafetyLeague.com.

Limited Use and Disclosure

Personal information shall not be used or disclosed for purposes other than those for which it was collected, except with the consent of the individual or as required by law.

Security Safeguards

Personal information will be protected by security safeguards appropriate to the sensitivity of the information. The safeguards will protect personal information against loss or theft, as well as unauthorized access, disclosure, copying, use or modification.

Cookies

OntarioSafetyLeague.com requires the use of cookies. A cookie is a small text file written to a user's hard drive that contains a set of characters unique to each user. This controls the information that is displayed to the user. The cookies do not contain any personal information about users.
